

SALIENT FEATURES OF OUR PROJECT

- ✚ Size of our project is 1000 acres
- ✚ Our Project is surrounded by dense forest about an area of 10000 acres.
- ✚ Land pattern is hilly as well as pattern of table land. You can make best development on it on the lines of Lake City.
- ✚ Our project site is located at approximately 104 kms. from Mumbai town at Tadgaon in Raigad District. The location is accessible by road through National Highway No.9 is Mumbai Pune Highway and also through Mumbai Pune Express Freeway. The same is accessible by road through National Highway No. 17 i.e. Mumbai – Goa Highway. Nearest Railway Station is Nagothane and Khopoli, which is at the distance of 27 kms. from the site.
- ✚ At present the distance of the site from Mumbai is about 104 kms. The State & Central Government has sanctioned 2 bridges to Uran, one from Sewri and other from Colaba, thus reducing the distance of the site to 70 kms. from Mumbai.
- ✚ You can reach our site in just 13 minutes from Mumbai in a Helicopter.
- ✚ The site is located at a distance of approximately 55 kms. from the sanctioned international airport at Panvel & 40 kms. from proposed International Airport at Mandva, Alibaug.
- ✚ As such the location is ideal being easily accessible by road from Mumbai, but far enough from the metropolis to retain the pristine natural beauty and provide a much needed get away from the high
- ✚ Pressure life style of the city.
- ✚ At our site you can be connected throughout the world as optical fibre cables are laid and telephone exchange is situated and operational.

Water is available through out the year through natural springs. Tar road is constructed which speeds up your vehicle to our site. The pattern of the soil at our site is red soil.

- ✚ Our project site is located in the eastern ranges of Sahyadri Mountains at a height of 1675 ft. above. Sea level and is declared by State Government as a hill station. It has been declared a high priority tourist destination by the State Government and these has been able to obtain all relevant approvals expeditiously for the infrastructure development of the present project site.
- ✚ The Trans Harbour Link, Nhava-Sewri & Colaba Uran which has been sanctioned shall reduce the distance of our site which is 104 kms. at present to 70 kms. from Mumbai town.
- ✚ Lastly the area where our site is located has been declared as a “High Growth Area” by Government of Maharashtra, India.
- ✚ For further development of widening of road to 120 ft., land can be easily procured.

PLACE OF INTEREST

UDDHAR RAMESHWAR – This place has two temples Lord Shiva namely – a) Gramvashi Rameshwar (Lord dwelling in village) & b) Parvatvashi Rameshwar (Lord Dwelling on Hills). Folklore about this place is heard saying that the placement of the idols in these temples is done by Lord Rama. When kind bird Jatayu was injured while leaving a fight with Ravana his final salvation was done at this place by Lord Rama. (26 kms. from Rameshwar Vaibhav).

The legend goes that in ancient times, in (Palipur) Ballal, Son of a trader incurred his father Kalyan's Wrath for frittering away his time in devotion to Lord Ganesh. Egged on by other Kalyan admonished, thrashed and finally disowned Ballal. He then destroyed a stone image which Ballal used to worship. But to no avail. So besotted was the lad by the lord, that he endured severe physical regerts, chanting the name of "Vinayak", who was moved and manifested himself to Ballal, in the form Brahim. Ganpati asked him and granted him his wish and thus this place came to be consecrated as Ballal Vinayak or Ballaleshwar.

UNHERE HOT WATER SPRINGS – In village Unhere three natural hot water springs are found. These spring water contains sulphur which makes the water medicated. (21 kms. from "Rameshwar Vaibhav").

SARAS GADH – Chhatrapati Shivaji's watch point from where he could see the enemy approaching the Fort. This place is also popular spot for trekking and Rock Climbing. This fort is 1000 ft. high from the sea level and is worth seeing. (24 kms. from "Rameshwar Vaibhav").

Archelologically beautiful temple of “Lord Rameshwar” with Holy water Lake and Eye pleasing greenery & beautiful scenery.

Ballaleshwar Temple (Ashta Vinayak) 19 kms. from “Rameshwar Vaibhav”.

Fort Sudhagad of Bhor Sansthan & Bhoral Devi Temple (32 kms. from “Rameshwar Vaibhav”).

Thanale – Buddhakalin Caves (32 kms. from “Rameshwar Vaibhav”).

Nanvali Buddhakalin Caves (38 kms. from “Rameshwar Vaibhav”).

Gomasi Cave house of Saint Mrig Rishi (32 kms. from “Rameshwar Vaibhav”).
